RE : (ISC)² - Notification of Official & Authorized Instructor : Omri Sagron

Please accept this official notification as confirmation Omri Sagron has become an Official Authorized (ISC)² Instructor for the Europe/Middle-East/Africa (EMEA) region.

(ISC)² Instructors are carefully chosen for their ability to deliver official education & training material in a comprehensive and utmost professional manner.

They are required to have demonstrated expertise in the disciplines they are teaching and have exceptional presentation, delivery & classroom management skills.

An Official & Authorized (ISC)² Instructor is required to maintain a class approval rating of over 90% and are expected to deliver official (ISC)² education & training on a global basis.

They must deliver official course material in an expert manner, managing any challenges that may arise during a course in the respectable & professional custom that is associated with the good name of (ISC)².

An Official & Authorized (ISC)² Instructor has impeccable ethics and credentials and is continuously striving to improve in their knowledge, effectiveness in the classroom and ability to deliver the broad range of material in a clear and understandable way.

(ISC)² is delighted to confirm Omri Sagron meets all our criteria and we look forward to receiving positive feedback and evaluation from all associated education & training deliveries.

Should you have any further queries, please feel free to contact me directly.

Sincerely,

Mirtha Collin
Sr. Manager, Education and Training
